注意

* 組立て前に十分に仮組みを行って下さい。

- メタルパーツは変形している場合がありますが変形を調整しながら組立てを行って下さい。調整の際、多少の曲げは可能ですが破損にはご注意ください。
- レジンパーツの調整については、ドライヤー等で温めながら破損に注意しゆっくり行って下さい。
- 組立ての際、削り合わせ等が必要な部分もありますのでご注意ください。
- メタルパーツはバリやパーティングライン等を処理した後に、プライマーサフェーサー等で下地処理を行って下さい。
- レジンパーツは組立て、塗装前に離型剤クリーナー等で洗浄して下さい。
- 組立てには瞬間接着剤やエポキシ系ボンドをご使用下さい。
- デカールはファイル等に入れ、高温多湿を避けて保存して下さい。
- デカール保護紙がデカール面に密着しデカールニスに斑状の模様がつしまった場合は、デカールを貼った後にクリアを吹けば消えますので、そのように対処してください。
- 本製品は、中級者以上を対象とした組立てキットです。このキットには、尖った部品や小さな部品が含まれています。子供の誤飲や怪我、又ビニール袋による窒息などの事故にご注意ください。塗料、工具、接着剤等は、説明書に従い正しくお使い下さい。

CAUTION

* Please try temporarily constructing the kit before applying any adhesives.

- Metal parts may be slightly out of shape when first taken out of the box. You can restore the shape by carefully bending the part, but take caution as overexerting the part will cause it to snap.
- You can change the shape of the resin casting parts by applying heat (eg. using a dryer), but please be careful of damaging the part.
- Please be aware that some parts may have to be altered by cutting before they can fit together.
- After blur/parting lines have been removed from metal parts, please apply under coating (eg. primer surfacer) before continuing.
- Please clean resin parts (eg. using releasing agent) before applying color.
- Please use super glue or epoxy resin when building the kit.
- Protect decals by keeping them in dry and cool place inside a folder/file holder.
- If decal coating becomes damaged by the protective wax paper and forms a scaly pattern on the decal surface, apply a film of varnish after applying decal to restore coating.
- This kit is intended for ages 16 and over. Please keep out of reach from children as kit contains many small/sharp parts. Please read instructions carefully before applying colour/adhesives/altercation of parts etc.

PARTS LIST

TURNUED PARTS
